"Thanks for providing us such a lovely place to stay! We had everything we needed (the wireless is a huge plus) and best of all, a comfortable place to "come home" after a day of adventure. Looking forward to seeing you next time we are in the area. God willing!" MARYANNE (on behalf of everyone in our families), Ronkonkoma, NY & Houston, TX

"What a lovely home! We had a great time over Parent's Weekend (our son is in his third year at the Air Force Academy). The amenities of the cottage gave me the chance to "spoil him" with a few home-cooked meals and I even made cinnamon rolls from SCRATCH! As always, time has gone so quickly! The memories and pictures of lovely late summer in Colorado will be cherished ones." Ft Wayne, IN

"What a great place for a Christmas Vacation. Your hospitality was wonderful and the Olde Poste worked out great for our family. Location could not have been better...a full week of excitement - all within 10 miles." JASON & FAMILY, Tomball, TX

"Michael and Maria were married at the Wines of Colorado and had a wonderful stay here. Thanks so much!" Ft Worth - Dallas, TX

"Thanks for a nice stay. We had a good time and enjoyed Colorado Springs. The Olde Poste Cottage is adorable! With 3 young boys in our group, this was an ideal arrangement." Pete & Ann Kolleyer; Scot, Noel, Kirby, Kelly & Casey Montrey

"Great home. Very comfortable, great location, central to everything we wanted to see and visit. The Pantry Restaurant is out of this world! Garden of the Gods was spectacular, Pikes Peak Highway was so much fun, Casa Grande Mexican food in Woodland Park was yummy! We'll be back in the fall! Thank you." Ho-Sing-lay Family

"We were here for USAFA graduation. We are so proud of our graduate. Thank you for providing a cute house for us to stay. We enjoyed many hours here due to the rain we endured for most of the trip. The kids really enjoyed the bunk room. Also, loved playing horseshoes and exploring the back yard. Thanks again!" Hansens & Lynam's

"We love the Olde Poste Cottage! It was much more cozy and warm than any hotel. It was fantastic being able to cook meals for the whole family. Can't find a better location, we were never in the car too long on our way to touristy stuff. Thanks for providing a wonderful place for our family to make memories in. " Weger, Magallon & Brantley - TX & FL

"Very quaint cottage and convenient location. You feel like you're at home when you return every evening. We appreciate the cozy environment." Giebler, Marolt & Family - Harrisonville, MO

"The Olde Poste Cottage is in an excellent location - so close to everything! If (when) we return to C Springs we would definitely like to stay here again. The kids especially enjoyed the toy box. It was a nice surprise." The Lytle Family

"This is a fantastic little place! Every year we visit Colorado for the Hill Climb and this is the first time we've stayed at the Olde Poste. During our stay this year we enjoyed breakfast each day in the house as well as a lunch and dinner.

VERY HOMEY! Olde Poste is a great location for tons of awesome sight-seeing! We recommend Boriello Brothers Pizza (on Platte) to anyone who needs a break from cooking. We'll return to Olde Poste again! Wonderful vacation!" Chris & Anita Homco & friends

"We liked the cozy cottage, with lots of charm and character! Had a merry time! We watched Crocodile Dundee. It was grand. Had fun! Thanks!" Rachel, Brice, Arlene and Dave Freeman - Austin, TX

"We loved the Olde Poste. It felt like home away from home. The location is fabulous, by the way. Thank you for everything. It was awesome." Mickey, Nancy, Dora, Kathy, Michelle, Chase and ME, Shelby!

"We had an AWESOME time on our vacation! The cottage was a perfect home-away-from-home. The location here is excellent and the owners were very helpful (yes, we tried the hike at Craggs!) and attentive. We grilled out twice during our stay and enjoyed meals at "home" each night of our stay. We loved the attractions too - Garden of the Gods, Cliff Dwellings, Cave of the Winds, Cog Railway, Seven Falls. Also went horseback riding and whitewater rafting with Noah's Ark in Buena Vista, and saw Royal Gorge and Molly Kathleen Mine in Cripple Creek. Thank you for a wonderful vacation!!" Matt & Martha Cummings & Family - Memphis, TN
